

ANNE LORRAINE E. CARREON

Balanga City, Bataan, Philippines | P: +63 936 985 2513 | alcarreon.work@gmail.com

RELEVANT EXPERIENCE

UI/UX Designer

Apr 2026 - Present

Flow – Productivity & Budget Management (Personal Project)

- Designed high-fidelity user interface layouts and interactive web prototypes in Figma to streamline task management and personal budget tracking for users.
- Built a scalable component library using dynamic layouts and variables to maintain design consistency and speed up screen iterations.
- Created intuitive dashboard views, modal workflows, and empty-state screens to improve data readability and simplify navigation.

UI/UX Design Intern

Jan 2026 – Apr 2026

DepEd – Schools Division Office of Balanga City (ICT Unit)

- Redesigned the SDO website by developing high-fidelity Figma layouts and responsive HTML/Tailwind CSS prototypes to improve site navigation and web accessibility for visitors.
- Designed user interfaces for an internal Inventory Management System to streamline item tracking and simplify asset reporting for the Supply Unit.
- Created digital graphics and print materials, including social media graphics, tarpaulins, and ID lace designs using Canva, ensuring consistent visual branding across organizational initiatives.

UI/UX Designer

Jan 2025 – Dec 2025

BPSU SIKAT Technology Business Incubator Portal (Capstone Project)

- Designed multi-role web dashboards and interactive Figma prototypes to simplify the application, tracking, and funding management processes for incubatees, accelerators, and administrators.
- Worked with frontend and backend developers to review implemented interfaces, ensuring alignment with approved designs and intended system functionality.
- Managed project documentation, system diagrams, and structured test scripts to verify platform functionality, identify defects, and improve overall system reliability.

TECHNICAL SKILLS
